

PEPE PEÑALVER

*Design, innovation and exquisite quality are joined with great skill to create three new collections that take us to idyllic environments full of beauty and gorgeous contrasts.*

# Charme

*This collection draws inspiration from the romanticism of the French Countryside, its bucolic golden light, its picturesque villages and the dusty tones of its landscapes. A feminine and charming proposal in which we discover exquisite jacquards, floral prints, light embroidery and small geometrics.*

# Patagonia

*The Patagonia collection evokes a fascinating place full of contrasts with infinite landscapes, where the planet shows its strength and beauty to a superlative degree. Inspired by its wild nature, these five light sheers of natural appearance have been designed to create relaxed environments that take us to this paradise.*

# Cozy

*A cozy and warm collection comprised of three upholstery textures inspired by different types of traditional houses around the world. Designed to make any room a refuge for body and soul where you can enjoy with total freedom, thanks to its easy cleaning and liquid repellency.*
