

PEPE PEÑALVER

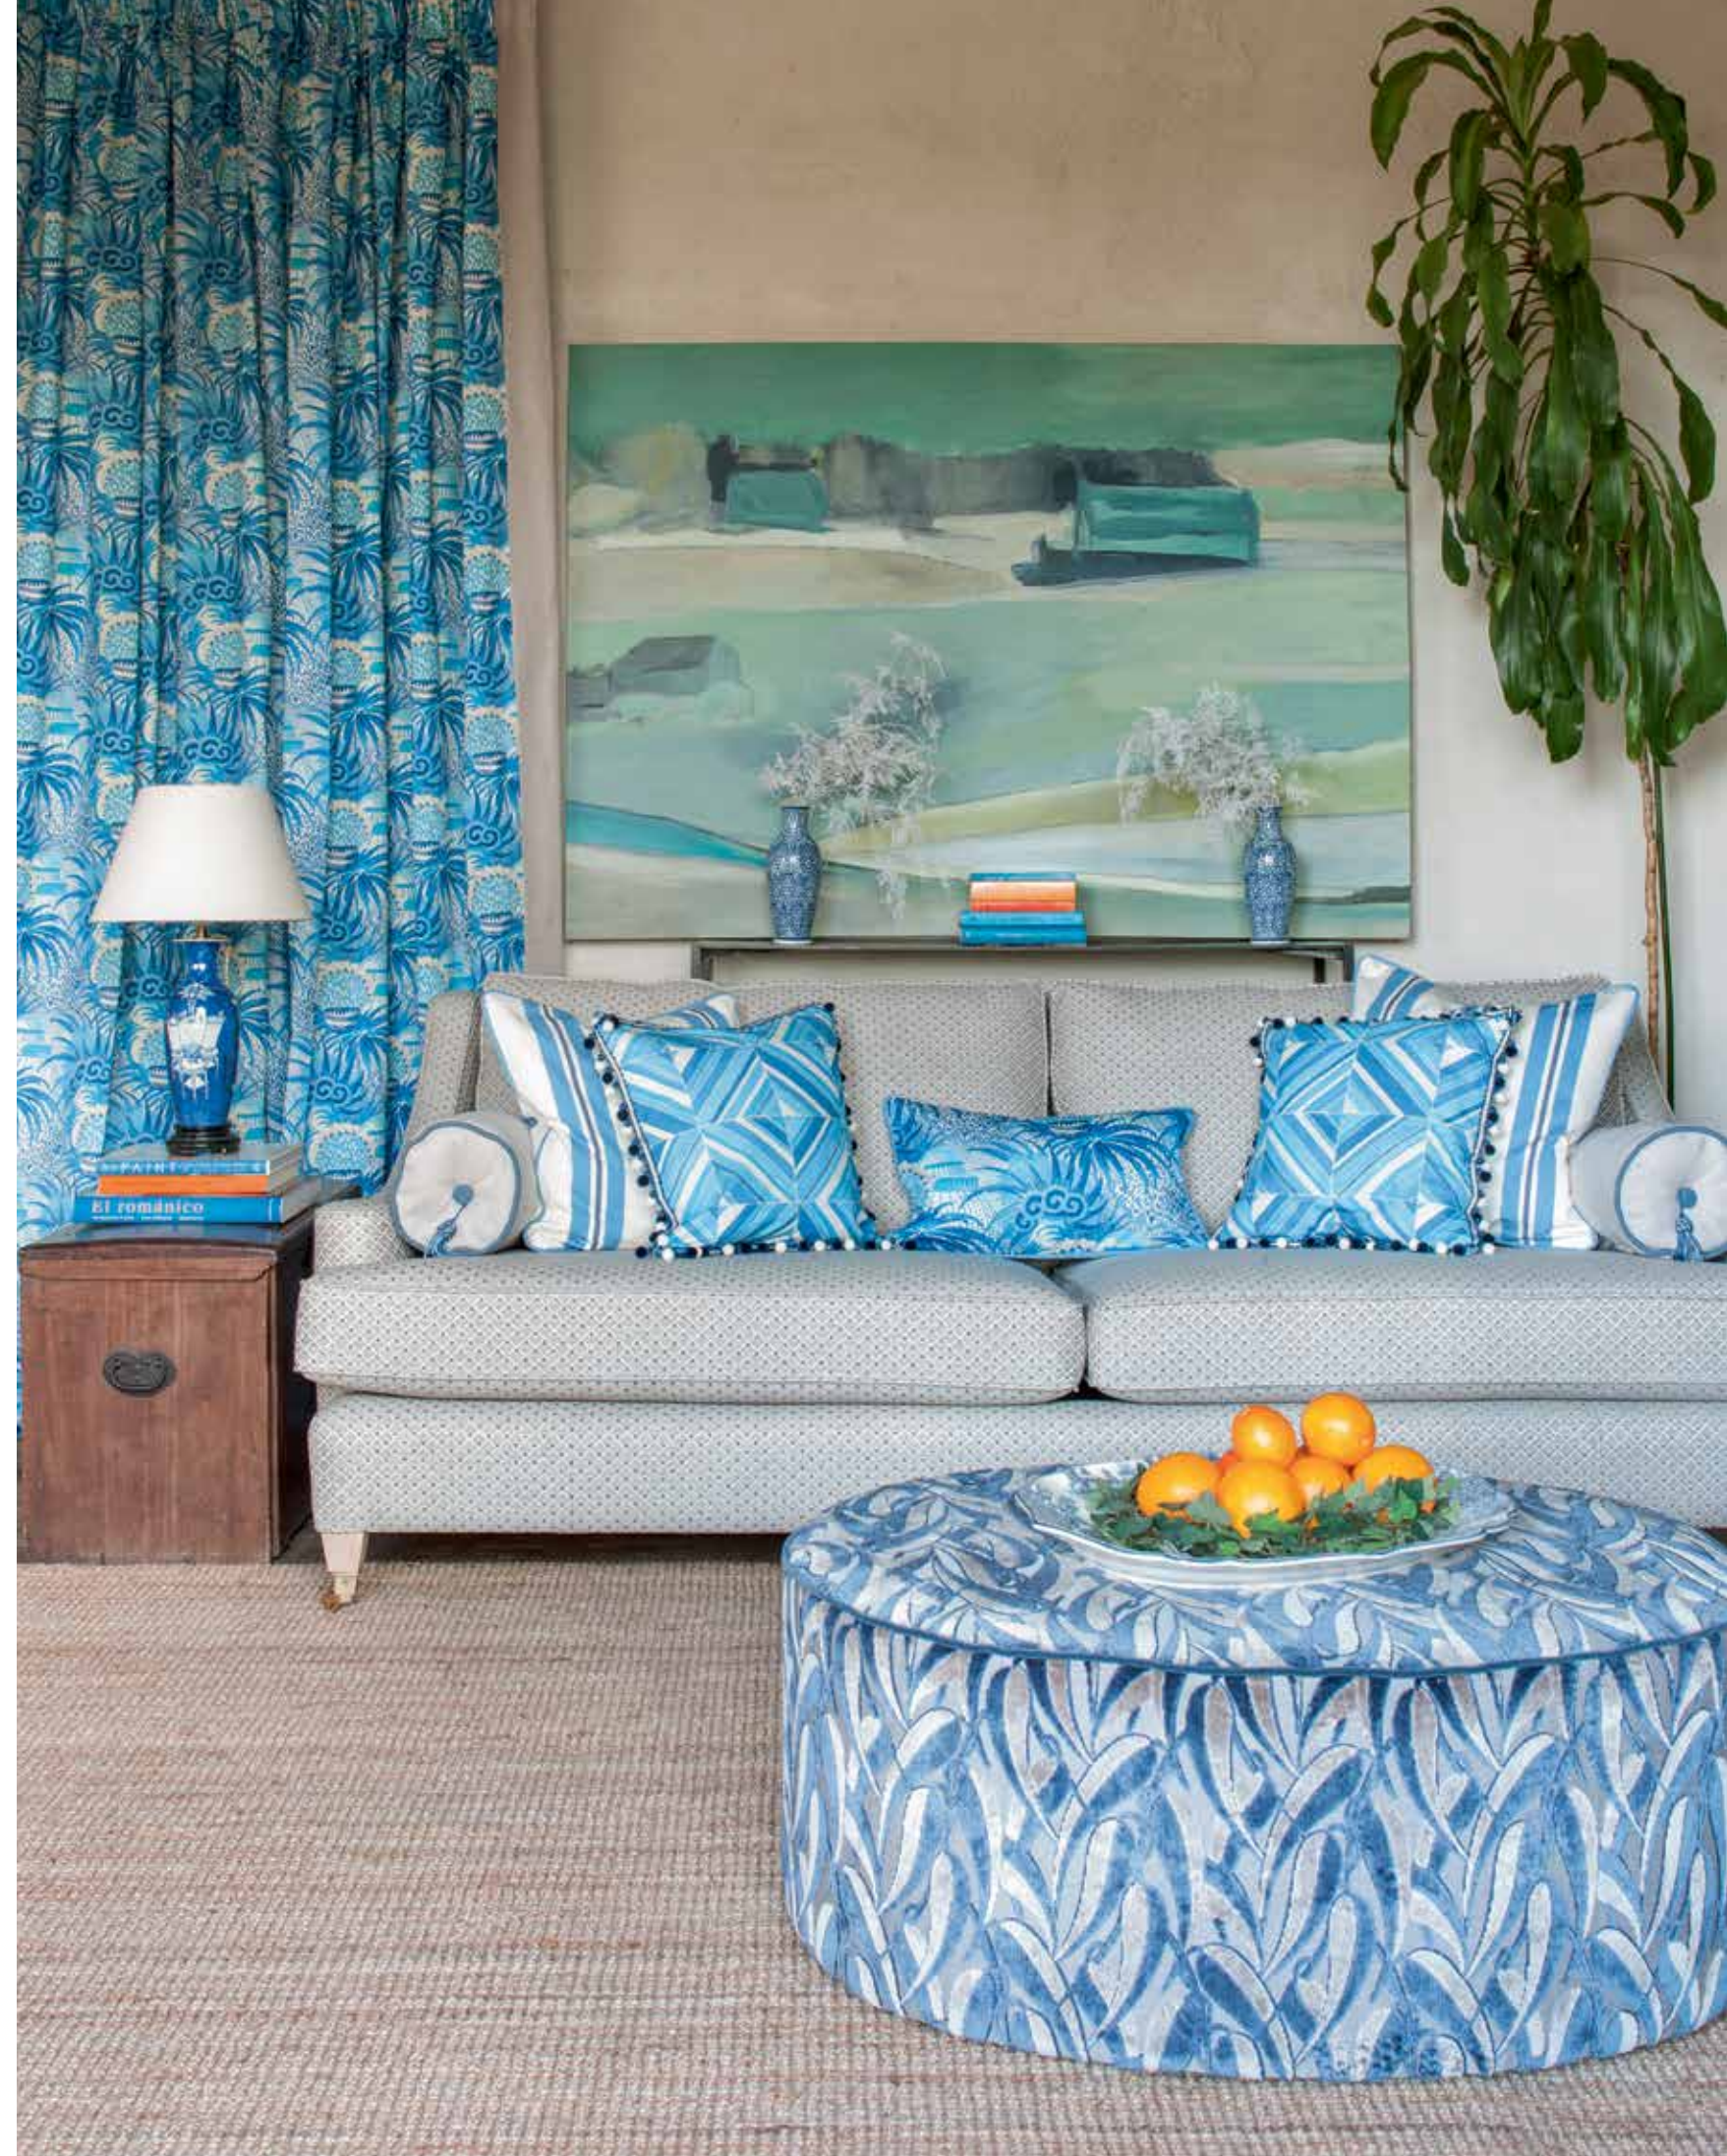

RIVIERA

An absolute explosion of light and colour, with a tropical style, this collection is the vivid reflection of the flamboyant vibe of the South of France during the jazz era of the '20s. An incomparable capability to fill every space with the brightness of the Sun, the power of the Sea and the artistic spirit of the Music.

WISE

A stonewashed collection of linen with an alluring vivid and natural look. Soft and elegant, WISE is offered in a variety of colours ranging from taupes to trendy tones, like rust orange, mint green or dusty pink.

A vibrant collection that pays tribute to the “Mexico lindo” of Frida Khalo and Diego Rivera. The culture, the folklore and the beaming handcrafting tradition of the most authentic Mexico are reflected to perfection on its bright colours and its natural fabrics.

ALIVE

Inspired by the life and light present in Mediterranean homes, **ALIVE** introduces five soft and delicate proposals that give us the feeling of liveliness and joy thanks to its plain wovens, light marbling, slight touches of brightness and subtle patterns.

VITAL

This collection stands out because of its versatility. With a semi plain texture of distressed aspect and a subtle shine, VITAL is presented in a beautiful 38 colours palette. Its high resistance makes it excellent for upholstery, decoration and drapery.
