LEATHER & SERVICE

FOCUSED ON

- Sustainability
- Product Development
- Technical Assistance
- Customization
- Wide Color Range

Founded in 1958, Gruppo Mastrotto is specialized in the production of bovine leather for **footwear, leather goods, upholstery, automotive, nautical and aviation industries**. With more 60 years of experience in leather manufacturing, Gruppo Mastrotto operates through 10 manufacturing plants and 5 logistic facilities in Italy, located in leather district of Arzignano (Vicenza), and 4 production plants in Brazil, Tunisia, Indonesia and Mexico.

With a turnover in the leather business that exceeds 450 million Euros with more than 2.400 employees all over the world, Gruppo Mastrotto is one of the key world player in the leather industry, and the **first tanning company** in Europe.

The **experience** and **professionalism** of the workers, combined with the most **advanced technologies**, define the production process of Gruppo Mastrotto. Every step of the process, starting from the selection of raw materials, up to the final phases of measuring and shipping, are specifically committed to meet the requests of every single Customer.

Cutting edge production technologies and innovative manufacturing techniques are matched with the research activity of the Style Department, so that our leather is the right combination of **technical** and **stylistic content**.

Attention to **sustainability** and **quality** are fundamental values for Gruppo Mastrotto. All processes involving design, production and management activities comply with International Standards:

- Environmental Management System ISO 14001
- LWG Gold Rated
- Blue Angel - Der Blaue Engel
- Quality Management System ISO 9001
- Quality Management System Automotive IATF 16949
- Marine Equipment Directive 2014/90/EU
